Name _____ Phone Number _____

Donation Levels

Elementary (\$40) Middle (\$80) High (\$160)

Sponsor (\$500) Benefactor (\$1,000) Other _____

The CVMS 2.0 Upgrade Our School campaign is an effort sponsored by the CVMS PTSA to raise \$59,000 to completely upgrade the aging technology at Carmel Valley Middle School.

All donations to this fund go directly to the cost of the upgrade.

We are asking that every family donate at least the elementary level in order to ensure meeting our goal.

The school is ready for this upgrade immediately.

As soon as the funds are raised the upgrade will begin ensuring all our current 7th and 8th grade students will benefit.

Please make your checks payable to CVMS PTSA

Please write Technology on the memo line

The check can be returned to the school and placed in the drop box located in the front office or it can be mailed to:
